

Federal Worker Protection Quick Reference Chart Updated March 2021

Recommended: Wear socks, shoes and CHEMICAL-RESISTANT gloves (such as Barrier Laminare or Viton) when working with any pesticides. Wear chemical-resistant headgear for all overhead exposure. **IN ADDITION:** Personal Protective Equipment (PPE) listed is for handlers, mixers/loaders or handlers of undiluted products should consult the label. Use of closed cabs and closed handling systems may allow modification of handler PPE (see label)

DISCLAIMER: This information is supplied as a service by Winfield solutions, LLC which can in no way be held responsible for any misprints, omissions or incorrect information contained in the Worker Protection Standards Guide. This guide is for quick reference only. Users should always refer to and follow the manufacturer's label for specific information. Always read and follow label directions.

¹ 72 hours in outdoor areas where average annual rainfall is less than 25 inches a year

Bold = Winfield Products
